PROFESSIONAL SUMMARY

Motivated IT student with 2+ years of internship experience in C#, .NET WinUI 3, and MySQL, and recent hands-on exposure to React front-end development. Delivered production-ready modules for hospital, windmill, and jewellery management systems. Passionate about building clean, real-world software solutions.

TECHNICAL SKILLS

Languages: C#, JavaScript, HTML, CSS

Frameworks / Libraries: .NET, WinUI 3, React

Database: MySQL

Tools & Platforms: Git, AWS, Visual Studio, VS Code, DB Browser

EXPERIENCE

Software Development Intern | Skynetbee Artificial Intelligence Pvt. Ltd.

2 Years | C#, .NET WinUI 3, MySQL

- Built Billing & Bed Management modules for SSS Super Speciality Hospital.
- Created Wind Master module for a Windmill Management System.
- Developed Purchase Management module for a Jewellery Management System.
- Worked on business logic, database integration, and feature enhancements in a .NET Developer Environment.

React App Development Intern | BRU Internship Program

React, HTML, CSS, JavaScript

- Built reusable React components and responsive UI for web application modules.
- Worked with state management, props, and component lifecycle in live projects.
- Gained practical front-end development experience through end-to-end project delivery.

PROJECTS

ShopVibe Cart – Smart Shopping Cart Web App | [Live Demo](#)

React, HTML, CSS, JavaScript

- Responsive e-commerce app with product search, category filtering, cart, and wishlist.
- Deployed on Netlify with clean, mobile-friendly UI using React component architecture.

Additional Projects (C#, .NET WinUI 3, MySQL)

- Hospital Billing & Bed Management System
- Windmill Management System (Wind Master Module)
- Jewellery Purchase Management System

EDUCATION

B.Sc. Information Technology

RD National College of Arts and Science, Bharathiar University

2024 – 2027 (3rd Year, Pursuing)

ACHIEVEMENTS

- Most Promising Developer Award – recognised for outstanding internship contributions.
- 1st Prize – Short Film Hackathon
- 1st Prize – Trading Hackathon

ADDITIONAL KNOWLEDGE & INTERESTS

Knowledge: Trading, PC Building, Content Creation, DaVinci Resolve Video Editing

Interests: Artificial Intelligence, Software Development, Technology Exploration, Sci-Fi Movies
